PLAKSHA UNIVERSITY | YOUNG TECHNOLOGY SCHOLARS

LETTER OF APPRECIATION
TO WHOMSOEVER IT MAY CONCERN

We take this opportunity to extend our appreciation to Aarav Aggarwal on successfully completing the **Young Technology Scholars (YTS)**, a summer program organized by Plaksha University from June 11 - 25, 2023.

YTS is an intellectually intensive & stimulating program that reimagines tech education for high schoolers. The interdisciplinary, hands-on program has been carefully curated by Plaksha. Bright students selected through a rigorous process, tackle real-world problems under the expert guidance of world-renowned faculty.

The YTS Plenary Lectures were delivered by **Dr. Ravi Jasuja** (Co-founder, Plaksha University Director, Translational Research & Discovery, RPMH, Aging & Metabolism, BWH, Harvard Medical School), **Dr. Hanumant Singh** (Guest lecturer, YTS program Director, Multidisciplinary Centre for Robotics, Northeastern University), **Prof. Amit Sheth** (Faculty, Plaksha University - M.Phil. in Industrial Design Inclusive Design), **Dr. Prashanth Kumar** (Faculty, Plaksha University, Ph.D. in Environmental Biotechnology), **Dr. Shashank Tamaskar** (Faculty, Plaksha University, Ph.D. in Aeronautics and Astronautics), **Dr. Monika Sharma** (Faculty, Plaksha University) PhD, IIT Delhi

We were glad to have Aarav Aggarwal in the YTS 2023 cohort. Your intellectual tenacity and tangential thinking was evident in the project work and interaction with peers. The focus and determination towards the project and attention to detail was commendable.

Aarav Aggarwal worked on Teleoperation, as a part of the team.

We would like to congratulate you on the successful completion of the project and appreciate your collaborative efforts with peers.

We wish you success in all your future endeavors!

Good luck!
